It's A New Look For Our Book Nook!

Hardworking Friends board members Roy Hoyer and Nancy Laxson-Highton have transformed the Friends' Unique Book Nook into a light, airy space.

The Book Nook houses the rare and collectible books that the Friends offer for sale, and it's easier than ever to find gems there. Check out the Book Nook at our next Third Sunday Book Sale!

If you have a special collection of books that you would like to donate, reach out to the Friends at friendsofsclib@gmail.com.

"Great libraries build communities," says scholar R. David Lankes, and here in San Carlos we're lucky to have an extraordinary library, a beautiful space for reflecting, exploring, and learning.

When you donate gently used books, support our book sales, or become a Friends member you transform lives, too. The Friends fund daily library programs, outreach in local schools, and special free events.

There is a saying that small seeds grow big trees. Well, with your help, books are growing a vibrant community. Thank you for being a Friend. See you at the library!

Warm regards, Friends President,
Laurie Seidler

Book sales are the cornerstone of fundraising for the Friends of the Library. We offer gently used books and media for sale. Join us on the 3rd Sunday of each month from 1 to 4pm at our monthly book sales.

You can also shop everyday at the Friends' bookshop located in the library foyer.

Past Event Success!

San Carlos Art & Wine Faire

More than 2,000 people stopped by the Library's booth at the annual gathering. Visitors got a sneak peek at the library's new book bike and toured the bookmobile. Librarians and Friends volunteers were on hand to answer questions and hand out free books.

We had a great time making new friends!

Experience Carnegie Hall @ the San Carlos Library

Who needs Carnegie Hall?

Lucky music lovers welcomed the classic guitarist Peter Fletcher to the San Carlos Library —in advance of his Carnegie Hall recital.

Peter wowed the crowd with his stunning masterworks.

Thank you, Peter. And thank you Friends of the Library. Your book donations make wonderful events like this one possible.

Yes, "The Paper Airplane Guy" Came To The Library!

Paper plane designer, maker, and flyer, John Collins visited in January to share his unique combination of origami, aerodynamics and fun.

John Collins is the world record-holder for paper aircraft flight distance and a "flying time" was had by all.

This was a free event, sponsored by the Friends!

Join in on the fun by becoming a member of the Friends of the Library. Benefits include sale previews, notices about events, and our newsletter. Every membership supports the Friends of San Carlos Library and all of our programs and events. Fill out and turn in the membership form attached.
